

IEEE INDIA COUNCIL & IEEE MADRAS SECTION PRESENTS
23rd EDITION OF

IEEE INDICON 2026

CALL FOR PAPERS

NET-ZERO CYBER-PHYSICAL INTELLIGENCE: AI, 6G & SUSTAINABLE
ELECTRONICS FOR FUTURE-READY SMART SOCIETIES

18th – 20th DECEMBER 2026

Sri Sairam Engineering College, Chennai, India

TRACKS :

- AI, Machine Learning, and Intelligence for Net-Zero Engineering
- 6G, Next-Gen Wireless, Networking, and Sustainable Communication Systems
- Cyber-Physical Systems, Digital Twins, and Sustainable Smart Infrastructure
- Sustainable Electronics, Green Hardware, VLSI, and Embedded Systems
- Power Electronics, Smart Grids, and Industrial Automation
- Robotics, Automation, Instrumentation, and Intelligent Control
- Photonics, Quantum Technologies, and Optical Intelligence
- Sensors, Remote Sensing, Signal & Image Processing, and Intelligent Perception
- Biomedical Engineering, Wearable Systems, and Healthcare Technologies
- Secure, Ethical Intelligence, Intelligent Mobility, and Applications for Social Good

Submit paper

CMT submission link will be
coming shortly

IMPORTANT DATES

- JUNE 30 , 2026
- Submission Start Date
- AUGUST 31 , 2026
- Submission End Date

- NOVEMBER 02 , 2026
- Notification Of Acceptance
- NOVEMBER 16 , 2026
- Camera Ready Submission
